The screenshot shows a web browser window displaying the SmartClix website. The browser's address bar shows the URL `smartclix.cavallo.info/en/`. The website has a navigation bar with links: HOME, SMARTCLIX ON DETAIL, WHY SMARTCLIX?, and SMARTCLIX-DEALER. The main content area features a large image of a riding boot with the SmartClix spur system attached. A red circular callout highlights the spur with the text "THE INTELLIGENT SPURS SYSTEM". To the right of the image, the text reads: "Welcome to the new generation riding boots. Welcome to SmartClix." Below this, it states: "SmartClix is the intelligent spur system from Cavallo and Sprenger." A paragraph follows: "An innovational spur design that is relevant to every rider: spurs that are directly integrated into riding boots tall or short. The intelligent spurs system SmartClix offers the rider a number of key advantages:" This is followed by a bulleted list of advantages: "A personalized contact from the spur to the horse through the selection and adjustment of the spurstick" and "Concise signals given by riders' aid as the spurstick is firmly attached to the boot". Below the list are three links: "Explore SmartClix in detail", "Find a SmartClix dealer", and "Read why Ingrid Klimke loves SmartClix". The footer of the website displays the Cavallo and Sprenger logos, along with "Contact" and "Imprint" links. The Windows taskbar at the bottom shows the time as 6:25 AM on 2/3/2016.
